## GAMES MENU

To aid we have coloured coded our games collection

**GREEN:** Simple and easier concepts, quick to learn and normally quick to play

**ORANGE:** The middle of the range, slightly complex, and a bit of a challenge to tackle by yourself, though some of our staff will be able to help you with these titles

**RED:** Harder and more intricate rules and mechanics, even our guild masters may not be able to help with most of these titles

To ensure the collection is maintained and updated there is a small charge of **\$3** per head added to the table. This will allow unlimited access to the library so you may play as many games as you like.

If you have any questions please ask our staff
